Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest University. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest University, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | UNIVERSITY

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest University plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest University's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest University reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest University is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest University. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest University, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | UNIVERSITY

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest University plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest University's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest University reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest University is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | INSTITUTE

Dear Student:

As we announced recently, we are planning to teach out Everest Institute. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest Institute, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | INSTITUTE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest Institute plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest Institute's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest Institute reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest Institute is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest University. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest University, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | UNIVERSITY

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest University plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest University's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest University reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest University is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Included as **Exhibit 4** is a copy of this disclosure. Continuing students will receive periodic updates from campus leadership.

In the event of a teach-out students will meet individually, as it relates to the teach-out, with the Director of Education or designee who will give the student one of the following academic plans that takes into consideration the student's academic progress, time to graduation and other factors:

- 1) Complete their program of study at this campus as they normally would, including receiving career planning and placement services to assist them in finding a job, which will be available to them for at least 60 days after they complete their program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount they would have been charged to complete their program at Everest, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for their program. If they received a Federal loan, we will pay this refund to the government to reduce their loan obligation. If they received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If they paid the school directly, we will repay the same amounts directly to them.

Students who are not satisfied with their plan will have the ability to appeal their plan within three days, which will be evaluated by the Campus President who will render a final written decision within five instructional days from the receipt of the appeal.

9. Description of plans for faculty and staff:

Faculty and staff will continue in their assigned roles as normally scheduled. There are no anticipated changes to regular school operations.

In the event of a teach-out severance and retention plans will be established using the chart included in **Exhibit 3**.

10. Notification plan for state and federal regulators including the Department of Veterans Affairs:

Regulatory agencies have been notified of the school's sales status and will be apprised of any additional developments. A copy of the teach-out plan will be provided to the regulatory agencies for review and approval according to their standards. In the event the school is entered into a teach-out mode, an updated teach-out plan will be submitted to each regulatory agency.

Student Disclosure for Use in the Event of a Teach-Out

Everest | INSTITUTE

Dear Student:

As we announced recently, we are planning to teach out Everest Institute. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest Institute, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | INSTITUTE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest Institute plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest Institute's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest Institute reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest Institute is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

In the event of a teach-out students will meet individually, as it relates to the teach-out, with the Director of Education or designee who will give the student one of the following academic plans that takes into consideration the student's academic progress, time to graduation and other factors:

- 1) Complete their program of study at this campus as they normally would, including receiving career planning and placement services to assist them in finding a job, which will be available to them for at least 60 days after they complete their program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount they would have been charged to complete their program at Everest, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for their program. If they received a Federal loan, we will pay this refund to the government to reduce their loan obligation. If they received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If they paid the school directly, we will repay the same amounts directly to them.

Students who are not satisfied with their plan will have the ability to appeal their plan within three days, which will be evaluated by the Campus President who will render a final written decision within five instructional days from the receipt of the appeal.

9. Description of plans for faculty and staff:

Faculty and staff will continue in their assigned roles as normally scheduled. There are no anticipated changes to regular school operations.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest University. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest University, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | UNIVERSITY

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest University plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest University's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest University reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest University is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

It has been a privilege to have participated in your educational journey thus far. It is our sincere hope that you will continue to work toward reaching your career goals, and we wish you every success in the future.

CONFIRMATION:

It is important that you acknowledge that you have read and understand the alternatives discussed above.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Important notice if you receive a Federal student loan:

If you obtain a Federal loan, you may be eligible for forgiveness (“discharge”) of the federal student loans you receive to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel the portion of your Federal loan that remains after any Everest refund is received. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to studentaid.gov/closedschool.

Student Disclosure for Use in the Event of a Teach-Out

Dear Student:

As we announced recently, we are planning to teach out Everest University. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest University, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or

- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. Student Disclosure for Newly Enrolling Students

Everest | UNIVERSITY

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest University plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest University's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest University reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest University is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | INSTITUTE

Dear Student:

As we announced recently, we are planning to teach out Everest Institute. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest Institute, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | INSTITUTE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest Institute plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest Institute's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest Institute reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest Institute is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

- Medical Assisting Education Review Board (MAERB) – Programmatic Accreditation: Medical Assistant program

8. A communication plan for students to assist them through the transition:

Effective July 9, 2014, newly enrolling students are given a disclosure of the school's potential sale and of the investigative and oversight activities by certain state and federal regulatory authorities. Included as **Exhibit 4** is a copy of this disclosure. Continuing students will receive periodic updates from campus leadership.

In the event of a teach-out students will meet individually, as it relates to the teach-out, with the Director of Education or designee who will give the student one of the following academic plans that takes into consideration the student's academic progress, time to graduation and other factors:

- 1) Complete their program of study at this campus as they normally would, including receiving career planning and placement services to assist them in finding a job, which will be available to them for at least 60 days after they complete their program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount they would have been charged to complete their program at Everest, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for their program. If they received a Federal loan, we will pay this refund to the government to reduce their loan obligation. If they received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If they paid the school directly, we will repay the same amounts directly to them.

Students who are not satisfied with their plan will have the ability to appeal their plan within three days, which will be evaluated by the Campus President who will render a final written decision within five instructional days from the receipt of the appeal.

9. Description of plans for faculty and staff:

Faculty and staff will continue in their assigned roles as normally scheduled. There are no anticipated changes to regular school operations.

In the event of a teach-out severance and retention plans will be established using the chart included in **Exhibit 3**.

10. Notification plan for state and federal regulators including the Department of Veterans Affairs:

Regulatory agencies have been notified of the school's sales status and will be apprised of any additional developments. A copy of the teach-out plan will be provided to the regulatory agencies for review and approval according to their standards. In the event the school is entered into a teach-out mode, an updated teach-out plan will be submitted to each regulatory agency.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Important notice if you have a Federal student loan: In addition to any Everest refund that may be paid, you have separate rights if you have a Federal loan.

You may be eligible for forgiveness (“discharge”) of the federal student loans you received to attend your school if one of the following happens:

- If you continue at Everest but Everest closes before you complete your program, or
- If you transfer to another school but you do not complete your program there, or
- If you withdraw from Everest less than 120 days before Everest closes.

This Federal discharge will cancel any portion of your Federal loan that remains after any Everest refund is paid. However, if you complete your program either at Everest or another school, you will not qualify for this Federal discharge. This is not a complete explanation of the closed school loan discharge rules. For a complete explanation go to: studentaid.gov/closedschool.

Student Disclosure for Newly Enrolling Students

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Student Disclosure for Use in the Event of a Teach-Out

Everest | COLLEGE

Dear Student:

As we announced recently, we are planning to teach out Everest College. It is always a difficult decision to teach out a campus, but we are working hard to ensure that the process goes smoothly, and that every student has the opportunity to complete his or her program of study. We plan to complete this teach out process under a plan approved by the school's accrediting agency and all applicable state licensing agencies.

Within the next seven days, you will be meeting with the Director of Education, or a person assigned by him or her, to discuss your personalized academic plan as it relates to the teach out. You will be given one of the following plans during your meeting, depending upon your academic progress, time to graduation and other factors:

- 1) Complete your program of study at this campus as you normally would, including receiving career planning and placement services to assist you in finding a job, which will be available to you for at least 60 days after you complete your program;
- 2) Receive assistance transferring to a comparable program of study at a comparable school at no additional cost above the amount you would have been charged to complete your program at Everest College, and job placement services and other post-graduation services would be provided by the receiving institution; or
- 3) Withdraw from the school and receive a full refund of all tuition and other fees paid to the school for your program. If you received a Federal loan, we will pay this refund to the government to reduce your loan obligation. If you received a private student loan that was directly disbursed to the school, we will pay the refund directly to the lender. If you paid the school directly, we will repay the same amounts directly to you.

IF YOU DISAGREE WITH THE PLAN PRESENTED TO YOU, YOU MAY FILE AN APPEAL.

Students are entitled to appeal their personalized academic plans. You must file your appeal in writing with the office of the Campus President within three (3) instructional days of your receipt of your academic plan. Your notice must include the reason(s) for your appeal. If you file a timely written appeal, the Campus President (or designee) will meet with you and review your reasons for the appeal within three (3) instructional days from the date of your appeal. The Campus President will render a written decision to you within five (5) instructional days from the date of this meeting. The decision of the Campus President is final and no further appeals are permitted.

Everest | COLLEGE

Dear Prospective Student:

Below is important information you need to know about our school.

POSSIBLE SALE OF SCHOOL

Corinthian Colleges, Inc., the owner of Everest College plans to offer your school for sale to another school or to new investors. The sale will be completed in accordance with applicable rules and regulations of Everest College's accrediting agency, state licensing agencies, and the U.S. Department of Education.

If your school is sold, it may continue to operate after it is sold in much the way it does now. However, certain changes may occur. As stated in your Enrollment Agreement, Everest College reserves the right to change instructors, textbooks, accreditation, schedules, or cancel a course or program for which there is insufficient enrollment. If your school is sold, the new owner may choose to make some of these changes or other changes.

INVESTIGATIVE AND OVERSIGHT ACTIVITIES

Everest College is in good standing with its institutional accreditor and most state licensing agencies. However, certain State and Federal regulatory authorities have initiated investigations and oversight reviews into the Company that owns this school that could result in future enforcement actions. There have been no findings that the school has done anything wrong, but if an enforcement action is taken, it could negatively impact our ability to operate this school and your ability to complete your program at this school as expected. If you choose to attend another institution, the credits you have earned at this school may not transfer to another school.

Subject: Required Update of Teach-Out Plans

The Council received notice on April 21, 2015 that the California Bureau for Private Postsecondary Education has ordered the following three ACICS campuses to cease new enrollments:

- Everest College, Everest College, 217 Club Center Drive, Suite A, San Bernardino, CA 92408, ACICS ID 00021509
- Everest College, 1819 South Excise Avenue, Ontario, CA 91761, ACICS ID 00011315
- Everest College, 500 W Santa Ana Boulevard, Santa Ana, CA 92701, ACICS ID 00021313

As a result of this action, the Council is concerned about the continued operations of these campuses (Sections 1-2-100(a)). Therefore, the Council requires your institution to provide an update to its teach-out plan provided for these three campuses on July 22, 2014. The plans indicated that in the event of a teach-out, presently enrolled students would continue their education at their current campus, receive assistance in transferring to a comparable program of study, or withdraw from the school and receive a full refund of all tuition and other fees paid to the school.

Ms. Beth Wilson
April 22, 2015
Page 2

In addition, in the plan provided on July 22, 2014, the institution stated that in the event of closure the following activities will be completed within 21 days of such determination:

- Enrollment activities will cease.
- The anticipated final graduation date and closure date will be identified
- Student communication plans will be implemented.
- Disclosure statement will be presented to students for signature.
- Faculty and staff retention plans will be presented.
- Teach out partners will be identified where appropriate.
- New teach out plans will be submitted to ED, ACICS, and the state agency for review/approval.

Therefore, if the campuses make the determination to close, your institution must provide evidence that the activities noted above have occurred.

The Council will only finally approve these updated teach-out plans, in accordance with Section 2-2-303, once the campuses provide evidence that all students will receive, without additional charge, all of the instruction promised but not yet provided by the closing institution or will receive an appropriate refund.

If the campuses decide to enter into a teach-out agreement with another institution, then the teach-out institution must be geographically proximate to the closing institution or otherwise able to provide students with reasonable access to its programs and services, and the teach-out institution must have the necessary experience, resources, and support services to provide an educational program that is of acceptable quality and is reasonably similar in content, structure, and scheduling to that of the closing institution.

In addition, the institution must provide current information on the individuals with controlling interest within the organization.

If you have any questions, please contact me at iharazduk@acics.org or (202) 336-6795.

Sincerely,

As described in the teach-out plan, presently enrolled students will continue their education at their current campus until the date of prospective closure. At that time, if there are students who have not yet completed their program, the institution notes that teach-out arrangements and assistance will be provided for each student.

Since the institution has not, as of yet, provided detailed plans for the teaching out of all its students in accordance with Section 2-2-301 and 2-2-302, the Council is providing conditional approval based upon the successful completion and implementation of transfer arrangements or teach-out agreements with other institutions. The Council will only finally approve these teach-out plans, in accordance with Section 2-2-303, once the institutions have provided evidence that all students involved in the teach-out plans have been provided, without additional charge, all of the instruction promised but not yet provided by the closing institution. In addition, the teach-out institution must be geographically proximate to the closing institution or otherwise able to provide students with reasonable access to its programs and services, and the teach-out institution must have the necessary experience, resources, and support services to provide an educational program that is of acceptable quality and is reasonably similar in content, structure, and scheduling to that of the closing institution.

The institution is required to provide ACICS with any updates to these teach-out plans including evidence that completion of the program, withdrawal from the program, or successful teach-out or transfer arrangements have been made for each student remaining at the institution.

In addition, the institution must notify the Council in writing of its official closure within 5 days prior of that closing. Thank you for keeping the Council informed of your institution's activities.

Sincerely,

(b)(6)
